

**Legal agreement for
the organization of the periodical, academic course
"Computer Science for Engineers" for Efrei students**

The following contract (referred to as the "Contract" or the "Agreement") shall be concluded between:

Cape Peninsula University of Technology

A Public Higher Education Institution and juristic person incorporated and established in Terms of the Higher Education Act 101 of 1997, and the Amended Statute of the Cape Peninsula University of Technology, promulgated under Government Notice No 46382 of 20 May 2022

Legal representative: Dr. David Phaho, Deputy Vice Chancellor (DVC):
Research, Technology, Innovation and Partnerships
Address: PO Box 652 Cape Town 8000, South Africa
Telephone: +27 (0) 21 959 6242
Email: dvcresearch@cput.ac.za

Referred to as "CPUT",

and

Efrei Paris, Engineering School of Information and Digital Technology

Registered under the SIREN number 398 898 338

Legal representative: Frédéric MEUNIER, Director

Having headquarters at:

30-32, Avenue de la République
94800 Villejuif

France

Telephone: +33 188 28 91 52

Referred to as "Efrei".

Each of CPUT and Efrei shall be referred to as a "Party" and together as the "Parties."

The Parties decide in common agreement to establish this Contract in accordance with the applicable laws in their respective countries and abiding by the following clauses and conditions:

1. CONTACT INFORMATION

The following individuals shall be contacted for all matters regarding the execution of the Contract and the delivery of the program of study for Efrei students at CPUT.

For Efrei:

Christiane MICHEL
 Director of International Relations, International Relations Department
 Telephone: +33 188 289 152
 Email: christiane.michel@efrei.fr

For CPUT:

Dr. David Phaho, Deputy Vice Chancellor (DVC):
 Research, Technology, Innovation and Partnerships
 Address: PO Box 652 Cape Town 8000, South Africa
 Telephone: +27 (0) 21 959 6242
 Email: dvcresearch@cput.ac.za

2. INTENTION OF THE PARTIES

Efrei and CPUT, through this Contract, hereby agree to collaborate in delivering a **sixteen (16)** – **week** academic program in the fall and/or in the spring for students from Efrei at CPUT, which will develop the academic content of the course and evaluate the competencies of the students at the end of the program according to Efrei' academic instructions.

3. DETAILS OF THE ACADEMIC PROGRAM

For each of the fall and spring semesters, CPUT shall organize and deliver **seven (7)** modules for Efrei students, amounting to a total of 245 contact hours. For each of the modules listed below, there will be a total of 105 learning hours that include:

- 35 contact hours for lectures, combined lecture and synchronous practical lab sessions
- 70 hours of guided and independent learning

	Modules – September Group - Fall Modules – January Group - Spring	Total Contact Hours	Type of teaching for each module
1	TI501M / TI601M - Computer Architecture & Computer Systems	35	35 hours of combined lecture and synchronous practical lab sessions + 70 hours of guided and independent learning
2	TI502M / TI602M - Networks and Protocols	35	
3	TI505M / TI605M - Java Programming	35	
4	TI510M / TI610M - Advanced Web programming	35	
5	TI515M / TI615M - Object-oriented Analysis & Design with UML	35	
6	TI508M / TI608M Introduction to Machine Learning	35	
7	FL501M / FL601M – Language and Culture	35	

- Efrei is to provide a detailed syllabus describing the key contents, learning objectives, evaluation guidelines for each of the above modules.
- The CPUT module instructors are to develop class material based on the syllabus provided.
- Efrei shall attribute credits for these modules based on its academic program.

The Party claiming a force majeure event shall use reasonable diligence to remove the condition that prevents performance and shall not be entitled to suspend performance of its obligations in any greater scope or for any longer duration than is required by the force majeure event.

The Party shall use its best efforts to mitigate the effects of such force majeure event, remedy its inability to perform, and resume full performance of its obligations hereunder.

17. AMENDMENTS

Amendments or changes of any nature shall be set forth in Addenda, which shall become an integral part of this Agreement upon signature by the legal representatives of the Parties.

18. SERIOUS BREACH OF CONTRACT

The Agreement may be denounced and / or terminated by any of the Parties, provided that the Party who wishes to do so sends a written communication to the other Party within thirty (30) days. The ongoing activities, by virtue of projects previously approved for the students, shall not be compromised and must therefore be completed by the Parties even if a complaint is filed or even if the Agreement is terminated.

19. RESOLUTION OF DISPUTES

Any dispute relating to this Agreement, which cannot be resolved by mutual cooperation and amicable discussions between the administering offices shall be jointly referred to the Presidents of Efrei and CPUT or their nominees, for resolution.

Any dispute relating to this Agreement which cannot be resolved by negotiation between the Parties within thirty (30) days of referral shall be first submitted to mediation. This shall be conducted in English. A mediated settlement, if any, shall be written in English.

In case the dispute remains unresolved, the Parties shall jointly appoint an independent arbitrator for this purpose, whose sentence shall be final and acquired the force of res judicata.

20. IMPLEMENTATION OF THE AGREEMENT

The Agreement shall be in place until the end of June 2027. The Agreement will come into effect on the date of its signature by both Parties.
